Color is defined as the quality of a visible thing recognizable only when rays of light fall upon it. There are other ways in which to use the word: a party, a side, a flag, school colors, color in people, or descriptive words in regard to events.

It is accepted, as sunshine and shadow, and we often fail to appreciate the important part it plays in our lives.

Here it will be impossible to show color—except in "darks and lights," and "highlights"—and these terms will be applied to events and people appearing in this book. So—we present to you the "color and highlights" of 1955-56.

UN TYING

To Miss Dorothy Massie, our former Science Teacher, who, last year left here to teach in the Philippine Islands, we dedicate this page. Her superior teaching and her sincerity will be remembered for many years.

Miss Massie resigned late in the spring of 1955 so this page becomes a belated honor in recognition of the many services she rendered to Mount Baker High School.

Her interest in the Mission Fields was not new. When the opportunity came for her to serve as a teacher missionary she felt that it was a prayer answered.

We wish her success.

Under Superintendent W. I. Castles' leadership and an educationally minded board of directors, Mount Baker District has successfully carried forward its purpose to provide for the educational needs of all of the students of the District.

Mr. Castles, always busy with educational responsibilities in the local District, finds time to serve on important committees of the Northwest Washington and State of Washington Superintendents' Associations and on the Whatcom County Coordinating Committee for Services to Handicapped Children. He accepts responsibilities in local activities not directly connected with the schools.

Administration

THOMAS K. WINSOR, Principal.

Mr. Winsor, after 10 years at Mount Baker, has accepted a new position in a field in which he has long been interested. He will be Chief Probation Officer for Whatcom County.

C. E. REDFIELD, Vice-Principal.

Mr. Redfield will assume the duties of Principal next year.

Student Administration

A. S. B. OFFICERS AND ADVISOR

Row I—Mr. Winsor, Advisor; Gary Tyler, President; Cliff Ramsden, Vice-president; Betty Missiean, Secretary.

Row II—Lois Gay, Treasurer; Lloyd Kuipers, Business Manager; Ann Ryan, Assistant Treasurer; Kim Maleng, Parliamentarian.

To this group fell the trust of student activity funds and the task of adjusting student opinions with faculty and administration. With well planned groupings of other students and advisors, work was assigned to appointed committees.

Six of these groups toiled faithfully throughout the year on the problems of budget, citizenship, awards, programs, constitutions and ways and means.

The student body association is really the voice of the students. Through this organization, the departments of athletics, music, drama, and publications are supported. It also provides for much of the social programs, nomination convention, school elections, and finance.

Mount Baker's A. S. B. is associated with the Whatcom County Council. This year the officers attended several meetings at various schools. President Gary Tyler kept the student government in smooth functioning order.

PARLIAMENTARY TEAM

Seated: B. Burpee, L. Sygitowicz, R. Flotre, K. Maleng, L. Hillard.
Standing: G. Espeland, D. Morgan, D. Syre, T. Kveven, K. Kvamme.

Mr. Ziegler, Advisor

Mount Baker F.F.A.'s Parliamentary Procedure team captured first place at the 25th anniversary state convention in Pullman on March 28. Members of the winning team were seniors Kim Maleng, President; and Keven Kvamme, Sentinel; sophomores Telmer Kveven, Vice-president; Gene Espeland, secretary; and David Morgan, Treasurer. David Syre, Reporter, a freshman member, was the remaining member of the team.

Mount Baker F.F.A. has won the state championship in Parliamentary Procedure three times in the past five years—1952, 1954 and 1956. The local F. F. A. placed second in 1953.

Other teams competing in the state meet were St. Johns, Sunnyside and Fife.

Mr. Glenn Ziegler has been instructor and advisor of the Mount Baker F.F.A. for 19 years. His devotion to F.F.A. work, his ability to organize the efforts of boys and his ability to create enthusiasm in F.F.A. members, is a big factor in the success of the local Future Farmer program.

Activities

Save for a certain ~~girl~~ Boy.

Hi There Pal, well here we are agin. another
school year is over, only one more year and
well be out. Boy I had fun this year, how
about you? Remember Caryn and all the stuff
we did member goin to church and watching the
chorus. Remember Toad Lake and all the fun
we had fishin and swiming. Boy I hope
we have a lot of fun
this summer, and I bet we
do. I'm looking forward
to going out with you and Susan on
a lot of dates. (OK) Hope so. Do you remember
all the fun we had at the state basketball
tournement? Boy was that ever fun. Hope we
can do that next year.

Well I guess
I'll close now

BEHIND THE SCENES

What makes the lights change color on a stage set?

From where did that spot come?

What causes the big curtains to draw back?

Who painted the scenery?

Who built the stairs and the furniture?

Who clears the stage after every performance?

Answer: The Stage Manager and his unglamorized crew.

It takes many hands to present a stage production or to merely set the stage for an assembly program.

Students who accept places on the stage staff know they will have no special recognition. They have the privilege of serving their school in an "unsung" way and take pride in assisting directors to present fine performances.

Many other students, not on the regular staff, assisted with painting and building. The following deserve special mention: Beverly and Joan Orr, Hazel Pefley, Chuck Workman, Tom Gay and Mike Reitan. Terry Unger had the difficult position of managing the unpredictable mikes.

Future Homemakers of America

"We are the Future Homemakers of America,
Our vision is eight-fold and world wide.
We ask our Father in Heaven
To give us strength and will—
To fulfill our purposes."

These were the familiar words repeated by Nancy Ziegler, our chapter president, at the opening of our regular monthly meetings. According to Gloria Hayes' accurate secretary's book, the F.H.A. has spent a very active and interesting year. Twenty girls served at the annual F.F.A. Parent and Son Banquet in the early fall. At the first meeting Mrs. Jacob Zender and Mrs. Faye Dixon were elected as Chapter Mothers and Ray Hockett was the lucky senior F.F.A. boy to be chosen as Chapter Hero. Girls from Whatcom, Skagit, and Snohomish counties attended the Regional Meeting to which Mt. Baker was host. Ann McBain, state president from Sunnyside, Joan Kerr, state treasurer from Monroe, and Janice Aslackson, state secretary from Brewster, headed the list of honored guests.

National F.H.A Week was observed October 30 through November 5th. All members carried a stuffed animal one day. Displays pertaining to F.H.A. were seen in the front hall and were under the direction of Clarice Nyhus, Vice-President, and Colleen Moors, Songleader. Thelma Bay, Janice Barter, Peggy Spreadborough and Marilyn Kuipers were stars of a very amusing skit presented at a Student Body meeting.

In cooperation with the F.F.A, eight Christmas baskets were assembled and distributed to needy families in the community. Under the direction of National Projects Chairman—Jenny Tuck—ten dollars worth of UNESCO Stamps were purchased and distributed.

According to the records kept by Margie Chase, our treasurer,

this year's money-raising projects have been profitable. They included a bake sale with Beverly Sweitzer in charge; making and selling Christmas corsages and pins; selling cards; making and selling small dolls made of yarn. Peggy Spreadborough served as chairman of the Ways and Means committee. In March an All-school dance, the Cotton Ball, was co-sponsored with the F.F.A. Thelma Bay, program chairman, reigned as Queen, and Kim Maleng as King.

Eleven girls attended Demonstration Day at Nooksack February 25th, with Noreen Turcott representing our chapter, giving a demonstration on cake decorating. Sue Nyhus, State Projects Chairman, was in charge of arrangements for the day, and registration at the Regional Meeting.

Kaye Verkist, our reliable reporter, kept the Beacon staff, State F.H.A. Newsletter, and Teentimes, the National F.H.A. magazine, well posted on our activities.

Early in April, Clarice Nyhus, Nancy Ziegler, Colleen Moors, Sally Richner, and Mrs. Niegemann spent three days in Pullman at the State F.H.A. Convention. Sally was our candidate for State Membership Chairman. Clarice, Nancy and Colleen were awarded their State Homemaker degrees, the highest F.H.A. award possible to earn. Nancy also received a $100 scholarship toward her future work in Home Economics. In May, the Senior Tea and Installation of officers were the featured events.

"Future Homemakers of America—Our destiny as homemakers beckons us toward the new horizons that rim the world."

Outstanding work in this club and class was done in the area of enlargements and tinting. Several students enlarged 3 by 4 prints to 18 by 24 successfully and colored them in a professional manner.

Many new facilities have been added to the photography department.

Dear Jerry,
Lots of luck
to the most wonderfull
"Steady" in the world.
I hope you will help
me win my bet with
Earl. I guess I'll ~~them~~ let you
collect from Earl, then
I'll collect from you. ok. I've
only got about 3 months left. If you
Keep up your little "blonde devil"
I might come down. She's a big pest.
When I go to Scottie, don't neck with
too many other girls. It's dangerous. I
might find out. I told Sylvia to keep an
eye on you, so be real good when I'm
not around.
Loads of Love,

FOOTBALL COACHES

MR. TISDALE

MR. CORCORAN

Mount Baker's Senior High football team won the 1955 County Championship without losing a single league game.

John Holdt and Gary Tyler were elected co-captains for the season with 45 boys turning out. We tied Concrete 6-6 in the practice game of the season and eight days later the Mountaineers defeated the Anacortes Seahawks, 14-6.

On September 30 the Mountaineers suffered their first and last defeat of the season in a non-league game. The Bellingham Red Raiders defeated us 24-0.

The Mountaineers started their league games by downing the Ferndale Eagles 33-10. During the next four games the opposing teams scored 19 points against our 170 points. In the first of these four games, we took the Whatcom County Grid lead from the Lynden Lions by trouncing them 38-0.

Mount Baker beat the Blaine Borderites 39-12, October 28, at Blaine and the following Friday the Nooksack Pioneers were downed 45-7 to win the Whatcom County Championship.

The Mountaineers will be back again next season with flying colors.

With four lettermen forming the nucleus of the squad, the Mountaineer cagers, with Mr. Corcoran coaching, prepared for the 1955-56 season.

In the county jamboree, their first contest, the Mountaineers lost an overtime thriller to the Blaine Borderites.

Following two practice tilts the Mountaineers braced for league play in which they compiled a "4-8" record and a tie for fourth place.

Perhaps the highlights of the season came when Mount Baker lost a 64-62 thriller again to Blaine.

Lack in height of the Mountaineers proved an obstacle throughout the season. However, the squad was considered one of the fastest in the league and as final points indicate, was not lacking in scoring ability.

CAFETERIA

"What foods these morsels be"—Mrs.Ristine, Mrs. Stuart, and their able staff have prepared foods that cause hungry students to storm the halls to the "bread line." We no longer have to guess the prices of delectable dishes as art students printed price strips which have been placed above the cashiers. An extra "milk bar" was an added convenience and its salesmen were members of the Knights of Baker club.

BUS DRIVERS

The Busman's Creed: Through storm, wind, hail and snow, the bus must go through! Day in and day out the same old routes. Same kids, same schools, same noises — How many nice "good mornings" or pleasant "good nights"—Here's a "hand" to the men and women at the wheel in recognition of their safe driving and endless patience.

Service

OFFICE

"Click" goes the light on the P. A. board—"Buzz" goes the telephone—Quick goes an office girl to answer either with "office" or "Mount Baker High School." She takes the message pleasantly, even though she may have been interrupted while typing or running the mimeograph. These girls collect slips, enter absentees, type letters, do odd errands, and jobs that are always at the "beck and call" of the faculty or administration.

LIBRARY

Novels! Encyclopaedias! Dictionaries! Magazines! Books! Books! Books! What is the "outburst" about?

Why the library, of course. Anything from a battleship to an opera? Just ask the "librarians." Though often hampered by lack of space, students can still pack themselves in to study or plague Mrs. Bowen and her cheerful assistants.

The library has a fine assortment of new books from classics to science fiction. Let's read!
